Mushroom Luminaire mast luminaire post top, with clear glass acryl, 1 x HME 50 W, ballast for 2 different wattages 50/80W, mast connection made of die cast aluminium, iron mica finish (DB702S), post top mounting for spigot: d x l = 76 x 70 mm with adaptor (accessory) 60 x 70 mm, ingress protection = IP54, class1

mounting: post top
certification: VDE, ENEC
order code: 5NA52221AS28
EAN: 4039806323255

electrics

lamp type: HME
lamps: 1 x 50 W
special features electrical: ballast for 2 different wattages 50/80W

lighting technology

cut of angle: open lamp distribution, KB2
light opening: direct
axial/transvers angle: diffuse
symmetry: symmetric
enclosure: clear glass acryl

housing data

Mast connection made of: die cast aluminium
housing colour: iron mica finish (DB702S)
dimensions: L: 650 mm; B: 650 mm; H: 586 mm
special features housing: tool free lamp replacement

protection

ingress protection 1: IP54
protection class: class1

outdoor lighting data

spigot size: post top mounting for spigot: d x l = 76 x 70 mm with adaptor (accessory) 60 x 70 mm
mounting height: 3m-5m
